You've Served Us Now It Is Our Turn

Your Tailor Made Senior Service is committed to providing Veterans and their families with exceptional in-home care. We make it easy to use your VA benefits to get the quality in-home support you deserve. Count on us for reliable home care services so you and your loved ones can confidently live your lives to the fullest.

Activities of daily living (ADLs) are routine self-care activities that people tend to do every day without needing assistance. There are six basic ADLs: eating, bathing, dressing, continence (using the toilet), mobility (transferring, walking), and grooming. Your Tailor Made Senior Service provides aides who can assist you with activities of daily living.
